CANTON, N. C.

PREFACE

Canton is located in the Western part of North Carolina in the heart of the Great Smoky Mountains, and in the East Central section of Haywood County on Highway U. S. 19 at Junction of State Highway 284, going to Pisgah and the Pink Beds.

The city is protected from extreme temperature in winter and summer by the nearby mountain peaks that rise thousands of feet in height. It enjoys a year round climate that is unexcelled anywhere. The difference between the mean July temperature and that of January is only 33.5 degrees, while the difference between the annual mean temperature and that of July is only 17.1 degrees. Canton is also protected from the storms of the Middle Western Plains. The summer nights are cooled by the mountain breezes and the temperature frequently ranges as low as 20 degrees lower than that of midday.

The average date last killing frost in spring is April 15th; average date first killing frost in fall is October 20th.

GOVERNMENT

The Town of Canton has been under the City Council form of Government since its incorporation. There is a Mayor and three members of the Board of Aldermen. An efficient police force is maintained, and the town is protected from fire by a volunteer department.

The Town of Canton was first known as Pigeon Ford, until 1891, when it was incorporated as "Pigeon River," and in 1905 charter was amended to "Town of Canton."

EDUCATION AND RELIGION

The Town of Canton has six substantially built schools, five graded and one High School, all for white, and one colored school, (all having the highest state rating), and a number of churches representing the following denominations: Methodist, Baptist, Presbyterian, Episcopal, and Holiness. There are also three churches for colored.

Recreational and vocational training can be obtained through the Champion Y. M. C. A. There is a Branch of Columbia University located near Canton known as Springdale Schools, Inc.

RECREATIONAL

Within a radius of a few miles is located Lake Junaluska, the vacation and conference center of the South for Southern Methodists, and Lake Logan, where large acreage is given over to hunting and fishing, general camping and outings. Camp Hope, which has been operated by the Champion Y. M. C. A. for several years, and which is located within a few miles of Canton, is now being reconstructed with an approximate expenditure of \$8,000 to \$10,000, which when completed will undoubtedly be the best camp in this section of the state and will be under the supervision of the Champion Y. M. C. A., which has the second largest membership in the state.

(Continued on Page Six)

PREFACE

(Continued from Page Five)

INDUSTRY

Canton is essentially the "Home of Industry." It has within its boundaries one of the largest pulp and paper plants in the world, owned and operated by the Champion Paper & Fibre Company. The daily output of this plant is over three hundred tons of pulp, paper and board. In addition the plant also produces tanning extracts, caustic soda, turpentine, So-Hi, and adhesives. Mineral resources are rich and varied. Chief among these is Kaolin, Feldspar. Gold, silver and copper ores are found in the county. A large supply of lumber for industrial uses is available from the surrounding forests and within easy reach of Canton.

FARMING AND MARKETING

The country surrounding Canton has many excellent farms and orchards, and a large number of dairies, which rate very high. A ready market is available for all farm and dairy products in this section.

TRADE AND COMMERCE

Canton is the trading center of approximately 10,000 people living in Haywood and adjoining counties. The county population is 34,804, of which 33,808 is white and 895 negro. The labor supply of Canton is high class workers, intelligent, tractable, readily trained, and are 98 per cent native.

WATER AND TRANSPORTATION

The water supply of Canton is derived by gravity from mountain springs and streams. This water is of the finest quality, and is unlimited and dependable. However, for emergencies a new pressure and pump filter plant is now being completed at an approximate cost of \$100,000, which is capable of furnishing a daily output of two million gallons of water daily. This water shows an analysis of approximately 100 percent pure.

Canton is served by the Southern Railway, which has been here since about 1887. There are four passenger trains daily through Canton, and a complete system of paved highways, assuring up-to-date bus and freight transportation.

CIVIC ORGANIZATIONS

Canton has a number of civic and fraternal organizations, including the Chamber of Commerce, the Lions Club, the Civitan Club, Y's Men's Club, Y. M. C. A., the American Legion, the American Legion Auxiliary, the Senior Woman's Club, the Junior Woman's Club, the American Red Cross, the Masons, Juniors, Dokies, and Odd Fellows, 30th Signal Company of the National Guards.

Hydro-electric power for the use of Canton and its industries is supplied by the Carolina Power & Light Company. This company is a unit in one of the great Southern "super-power" systems, its lines being inter-connected with those of other large producers of hydro-

MILLER'S Classified Business Directory OF CANTON, N. C.

VOL. II

1942-1943

VOL. II

NOTE—Patronize those whose names are in large type, for they are the progressive ones, and generally leaders in their line.

 Index appears in front of special business headings only, for which an extra charge is made.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

CANTON LAUNDRY

THE HOME OF FINE DRY - CLEANING

2384 — DIAL — 2385

We Clean Anything

We Dye Anything

MILLER'S Street Directory —OF— CANTON, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE, AND DENOTING BUSINESS PLACES

VOL. II

1942-1943

VOL. II

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(⊙)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

You May Read - - -

The dailies which carry a few items of interest in your local community - or you may listen over the radio for news and advertising.

But The Newspaper That's Yours

... and belongs to YOU is the paper printed in your own community. In it are recorded the big and little events in the lives of individuals and of the community - YOUR COMMUNITY and about YOUR FRIENDS. It represents the sum total of life as you live it.

City Fathers Plan To Effect Many Improvements
Farmers Urge That Smith Be Retained As County Farm Agent

Leading Farmers Present Petition To Commissioners

Submitted That County Commissioners Refused To Retain Smith Because He Had Been Elected To House 5th District

Waynesville - That the county commissioners have refused to retain B. Smith as county farm agent is the opinion of many farmers here who are expected to contribute \$200 to the Democratic campaign fund at the county meeting to be held here on Monday, June 28. Smith's resignation was announced at the meeting of the board on Monday, June 22. Smith has been in the county for 10 years and has been successful in his work. He has been successful in his work in the county for 10 years and has been successful in his work. He has been successful in his work in the county for 10 years and has been successful in his work.
